FRANCO **PICCO**
FRONT END **DEVELOPER**

WORK EXPERIENCE

FREELANCE DEVELOPER

I have worked with startups such as BPM Digital Labs and finished projects for electrical engineers working at Edesur.

PROGRAMMING PROFESSOR

I have been a part of the professor group for programming I and programming II at Universidad Maimonides.

EDUCATION

BACHELOR'S DEGREE

I'm actively working on my thesis in order to acquire my Bachelor's title on Multimedia Technology. Expected by November 2025.

ONLINE COURSES

On top of my college education, I have completed several online programming courses on platforms such as codewithmosh.com and algoexpert.com

LANGUAGES

ENGLISH

PET Certificate, fluent level.

SPANISH

Native speaker.
